Announcement 928

New Form FA-1C Must Be Used for Oxygen Equipment and Supplies Prior Authorization Requests Effective July 1, 2015

Per [Web Announcement 893](#), a new form is REQUIRED to be used for prior authorizations for oxygen equipment and supplies. The form can be submitted via the Provider Web Portal or via fax. The new prior authorization request form for Oxygen Equipment and Supplies (FA-1C) was posted on April 1, 2015, on the [Provider Forms](#) webpage (<https://www.medicaid.nv.gov/providers/forms/forms.aspx> under Prior Authorization Forms). Please submit this form for oxygen equipment and supplies effective immediately. After July 1, 2015, if the request is not submitted using FA-1C, the request will receive a technical denial.
